Pepsico India Holdings Pvt Ltd Vs The State of Raj & ors

19.12.2006

Hon'ble Mr Justice Ashok Parihar

Mr AK Bhandari

Mr Manish Sharma - for petitioner

BY THE COURT:

Admittedly, the assessment order under the Value Added Tax Act, 2003 is under challenge before the appellate authority under the Act itself. No interference, whatsoever, is called for by this court at this stage. The writ petition is dismissed accordingly as having no merit. The petitioner is free to file an application for necessary directions by the appellate authority and it is expected from the authority to decide the application in accordance with law.
